It's nice when our colleagues recognize our inclusion to Super Lawyers. When we hear it from our clients it's even nicer.

Weitz & Luxenberg is proud that the legal world sees us as Super Lawyers honorees. But we're even more proud that our clients see us as that way. Because everything we do is driven first and foremost by a singular commitment and sensitivity to our clients and their families. Our philosophy has paid off through over \$17 billion in settlements and verdicts for individuals and survivors who have suffered tremendously. Knowing that we are doing right by our clients is incredibly motivating and, in our view, the best way to achieve success. We salute our colleagues who have been named 2015 Super Lawyers and Rising Stars honorees.
